

For GOD'S SAKE were we go AGAIN. Something smashed. She was screaming. I've seen her bruises you know. He'll never change. It's the kids I feel sorry for. But that's probably why she keeps her mouth shut. Doesn't she realise she can get help?

Domestic abuse isn't just violence and walking away isn't an easy option.

Help her get help 0808 2000 247.
