

FRAGILE

He's at the Red Lion
watching Football and drinking.

TICK. TOCK. I lie there
waiting. I hear the key in the door and
my stomach churns. I feel sick with
dread. **TICK. TOCK.** He climbs
into bed and grabs at me. **IF I** just
do as he says it makes things easier.

TICK. TOCK. At least we have
a roof over our heads. **IF I** told
anyone or left, he says he'd find me.

Domestic abuse isn't just violence.
